**ANSWERS**

Functionality

Is the changing table height adjustable?

Yes. The changing table has two height settings to insure optimum ergonomic comfort. Find the right height that suits both parent (87 and 92 cm).

How long can we use the changing table?

The changing table has been approved for use up to 11 kg.

Design

Why has the changing table high edges?

The relatively high edges are added to prevent the child from rolling over the sides. However, never leave your child unattended!

Does the changing table come with any storage facilities?

Yes. There are two shelves with space for storage and a roomy drawer can be purchased separately.

What is the changing table made of?

The changing table is made from oak or beech and surfacetreated with a strong lacquer. The lacquer is EN71-3 approved.

Accessories

What is included?

A changing mat in foam and two shelves.

Which accessories are available?

A cover to the changing mat is available in several colours and a roomy drawer can be purchased separately.

Can the cover be washed?

Yes. The cover is made from 100% cotton and is washable at 60 degrees C. Can be tumble dried.
