

LINEA BY LEANDER® DRESSER

EVERYTHING IN ITS PLACE

Your child's room is, first and foremost, the child's own space. It's a room for play, without too many limitations. With three roomy drawers, the Linea by Leander® chest of drawers helps you to keep your child's clothes, soft toys, and all the other things in the child's room, in neat and tidy order. The stylish design is not just suited for babies and toddlers, but for teenagers and adults as well, because of the many opportunities to create your own look by help of the felt- and leatherhandles in several colours.
