LEANDER® DRESSER

EVERYTHING IN ITS PLACE

Your child's room is, first and foremost, the child's own space, where there is room to play, without too many impediments. With four roomy drawers, the Leander® dresser will help you to keep your child's clothes, soft toys, and all the other things in the child's room, in neat and tidy order. Each drawer has soft-close, to avoid squeezing little fingers. The dresser is designed without sharp edges, with the characteristic soft, curved Leander edges.
