

FREQUENTLY ASKED QUESTIONS

LEANDER® DRESSER

201710

QUESTIONS

ANSWERS

Functionality

What is special about the Leander® dresser?

The dresser is stylishly designed with many details such as the rounded corners and the fine finish between its surfaces. The drawers close easily using soft-close.

Is the dresser only for children's rooms?

No, dresser can also be used in teenagers' rooms or your home office. The handles can be replaced, to match your home's colour scheme and style.

Design

What is the dresser made of?

The dresser is produced from MDF (medium density fibre-boards), made from wood fibres that are glued together.

How much does the dresser weigh?

The assembled dresser weighs 56 kg.

What is soft-close?

Soft-close means that the drawer closes slowly after you have given the front of the drawer a little push. This means that the drawer cannot slam closed and your children's little fingers will not get squeezed.

Accessories

What does it include?

The dresser is delivered with grey felt handles.

Which accessories are available?

Extra felt handles and leather handles can be purchased.

What colours are the felt handles available in?

Grey, yellow, purple, orange, azur, blue and pink.

What colours are the leather handles available in?

Black, nature, brown and nougat.
