LINEA BY LEANDER® CHANGING UNIT

CHANGING STATION WITH ROOM FOR STORAGE

From the very first day, your changing station is a special and important place for you and your baby. Here you will spend many hours changing, washing, snuggling and playing with your baby.

The Linea by Leander® changing unit is mounted on the Linea by Leander dresser®, without making holes in the dresser.

The high edges of the design keep your baby safe and comfortable.

Three drawers and a large changing unit makes it possible to have everything needed in reach.
