

INFORMATION

LEANDER® BED

THE BABY COT THAT FOLLOW YOUR CHILD THROUGH MANY YEARS, FROM 0 TO 7 YEARS

The Leander® baby cot is designed to follow your child - from baby to junior.

This means that you do not have to invest in beds and mattresses more than once during the first 7 years of your child's life. All the parts you need are included in the 'junior kit'.

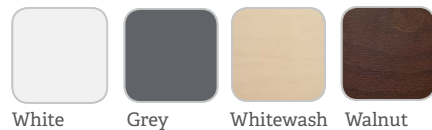

DIMENSIONS

Baby cot: H: 94.5 cm, B: 70 cm, L: 120 cm
Junior bed: H: 54.5 cm, B: 70 cm, L: 150 cm

CHARACTERISTICS

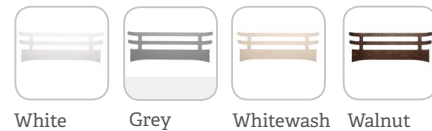

- From 0 to around 7 years
- From baby to junior (by using the wooden extension parts and the mattress footrest)
- Five settings, to match the bed to your child's needs and age
- Security for your child, as he or she will have the same well-known bed for many years
- Can be used for many years, so that you do not already have to buy a new bed after the first 2-3 years
- An original Leander® mattress, ensures optimum comfort and ventilation, and thus a good night's sleep for your child
- The rounded corners give a harmonious expression, combining function with simple Danish design
- Made from beech wood, from sustainable forests
- Surface treatment with water-based lacquer, to protect your child and the environment
- The bed is made from solid wood can bear up to 100 kg
